

ATTENTION!

FACE MASKS ARE REQUIRED IN THIS FACILITY

According to Public Health order issued March 24, 2023 by the Health Officer of the County of Santa Clara: "Regardless of vaccination status, all persons in Patient Care Areas of Health Care Delivery Facilities must wear a Face Mask during the period deemed the Designated Winter Respiratory Virus Period by the Health Officer, except for the following:

1. Persons younger than two years old due to, inter alia, the risk of suffocation.
2. Persons with a medical condition, mental health condition, or disability that prevents wearing a mask. This includes persons with a medical condition for whom wearing a mask could obstruct breathing or who are unconscious, incapacitated, or otherwise unable to remove a mask without assistance.
3. Persons who are hearing impaired, or communicating with a person who is hearing impaired, where the ability to see the mouth is essential for communication.
4. Persons for whom wearing a mask would create a risk to the person related to their work, as determined by local, state, or federal regulators or workplace safety guidelines."
